Board Meeting Highlights

Regular Board Meetings are the Third Thursday at 6:30 PM

April - Field Operations Supervisor Weber reported on the maintenance and repairs in the District and that preparations were underway to start the first pipeline replacement project of the year. Willow Ln. Interim Chief Lindley reported on the Fire Department calls and the upcoming Fire Academy Graduation and Community Spaghetti Dinner. General Manager Huff reported on the receipt of the completed Sewer Rate Study and plans to send the Prop. 218 Proposed Rate Increase Notification in the April bills. The Board had no action items on the agenda.

May - Field Operations Supervisor Weber reported on the maintenance and repairs in the District, the jetting and videoing of 12,000' of sewer mains, and the progress of the Willow Ln. pipeline project. Interim Chief Lindley reported on the Fire Department calls and the success of the Fire Academy Graduation and Community Spaghetti Dinner at the fire station. General Manager Huff reported on the progress of the FY 20-21 audit and discussed additional community outreach ideas from the Board. The Board approved several annual resolutions in preparation to adopt the FY 22-23 budget.

June - Field Operations Supervisor Weber reported on the maintenance and repairs in the District and that the Willow Ln. pipeline project would be completed by the end of the month. Interim Chief Lindley reported on the Fire Department calls for the month. General Manager Huff reported that the auditors would be presenting the FY 20-21 audit at the July Board Meeting. The Board held the Prop. 218 Public Hearing regarding the proposed rate increases beginning with a presentation from General Manager Huff explaining the process that the District took in participating in the rate studies and the need for rates to fully fund operating costs as well as future infrastructure and equipment replacement. The Board then heard from attending community members regarding the proposed rates. The Board decided to table the proposed rate increase to a future meeting and asked the General Manager to look into other options (including a community forum) going forward. The Board then discussed and approved the upcoming FY 22-23 Budget and Master Plan and the 5-year SSMP update adoption.

ARROWBEAR LAKE FIRE DEPARTMENT

What's New at the Arrowbear Lake Fire Department?

The Arrowbear Lake Fire Department is proud to announce the implementation of our new daily staffing model providing the community two firefighter/emergency medical technicians on-duty seven (7) days a week, 24-hours a day. This is the first time in the department's history that Arrowbear Lake Fire has been able to provide this level of consistent service to the community. We would like to personally invite you to come meet our new personnel on Saturday, August 20th, from 10am – 2pm, at our annual Arrowbear Lake Firefighters Association Picnic located at Tucker Field.

On Monday, August 1st, we will start accepting applications for our new fire explorer program. This program is for the youth in the community who are at least 14 years old and have completed 8th grade with a minimum 2.5 GPA. Under the direction of the post advisor, explorers will learn the basic skills needed to ride-out and assist firefighters. Applications can be obtained at Fire Station 271 located at 33045 Hilltop Blvd during normal business hours.

As a reminder Cal Fire has suspended open fires (campfire and bonfire) in the state responsibility area (SRA), which Arrowbear Lake falls into. If you witness someone with an open and active fire, we ask that you please call 9-1-1 or the fire station at (909) 867-3479. When you see something, say something, it could save the community from a devastating fire, and even possibly save a life.

Sincerely,

Paul Lindley, Interim Fire Chief
